

## Bozeman Yellowstone International Airport

### COVID 19 - Summer 2020 Revised Flight Schedule as of July, 2020

BOZEMAN, MT (July 6, 2020). Bozeman Yellowstone International Airport (BZN) has updated the summer 2020 flight schedule to reflect changes due to COVID-19. While three markets have been temporarily discontinued, we now expect non-stop service to seventeen markets through the course of the summer. Available seats in the BZN market for July and August expected to be approximately 70% of normal. Despite the significant reduction in available seats, we are pleased to see several new services started such as Sun Country's entry into the BZN market with service to Minneapolis/St. Paul, Allegiant's new service to Nashville and JetBlue service to Boston on July 1 and New York JFK on August 2. Schedules remain fluid but trends are gradually improving. We may see additional service added as the summer progresses. (All schedules subject to change):
